

COMPLIANCE CRUISE

Quotes of participants

"just like last time I found it really valuable and entertaining. Good discussions during the workshop, and nice networking."
- Peter Fennema, EFI-

"Lovely and interesting day. The opportunity to join the New Radio broadcast was very much appreciated. The workshop and dinner were entertaining and refreshing."
- Maria Dolphijn - de Voogd , LyondellBasell -

"A great place to network while increasing your compliance knowledge, or vice versa."
- Jorge de Podro, American Medical Systems Europe-

"I don't need to add more. Great event in all aspects. Good balanced time buckets. Can be repeated."
- Marc Poot, Cisco-

[Pincvision Compliance Cruise](#)

Pincvision yearly organizes a compliance event for its customers and relations. The program usually starts with an informative part followed by the possibility to network during a boat trip, enjoying dinner and drinks. The informative program consists of workshops, all about organizing compliance within multinationals.

This year our guests could choose between 4 workshops; all covering different areas of trade compliance.

[Workshops Compliance Cruise 2013:](#)
